Proposal

1. To establish a new fence line (RED) to prevent cars from parking on the grass. Knee-high rails are suggested as they are the least intrusive. See quotes for basic costings.
2. Remove old fence (BLUE) as it coming to the end of its life and will serve no purpose once a new fence is in place (RED).
3. Level out bank (GREEN) excess soil into the yellow area. This will improve the look of the tennis courts from the road and will allow for quicker maintenance of grass cutting.
4. Adding a French drain (PINK) as around the rest of the tennis courts.
