The grant would be used for purchase of 2 new pairs of goals (size 12' x 6') for the new pitch and to replace damaged goals. The modern goals are easier for volunteers to wheel into place, and back into a safe and secure position after a match. See below link for goal cost/spec:

There are currently 450 children (across all age groups) from Ilminster and the local area that are part of the youth football club and we have around 60 volunteer committee members and helpers that give a substantial amount of their time to make sure these children can enjoy playing football.

The number of teams has increased each year due to popularity and we are pleased that we now have 4 girls teams ages U10s, U13s, U15s and U17s. The new goals

would mean that the increased number of home matches can be played this season, given the increased number of teams.
