

12x6ft Devoshift Portable Goals – Self Weighted Aluminium Package

FOOTBALL

100MM 12 X 6FT / 3.65 x 1.83m

12x6ft Devoshift Portable Goals – Self Weighted Aluminium Package

- Introducing the revolutionary DEVOSHIFT Portable Goal!
- Developed with feedback and testing from Premier League clubs this product provides you with ultimate mobility when it comes to football goals.
- With its unique locking system that enables the goal to be lifted and lowered instantly.
- Once the goal is raised, it can be moved in ANY direction. Meaning goals can be removed from pitches and stored where a gated entrance has prevented this before.
- Featuring plastic coated handles, fully moulded HDPE covers and multi-directional movement!
- This product is designed to be fully compliant with the latest British Standards (BS EN 748 & 16579)

- Supplied in Pairs
- Uprights, runbacks and crossbar – 100 x 110mm reinforced aluminium
- Powder coated white
