

Committee: Open Spaces

Date: 5th October 2021

Title: Permission for a plaque on a bench overlooking Britten's Field

Purpose of Report

To allow for committee members to consider granting permission for a plaque

Recommendation:

Members to grant permission to place a plaque on a bench overlooking Britten's Field

Background:

1. An Ilminster resident who used to reside on Herne Rise and has now passed away, regularly sat on the bench overlooking Britten's Field.

Report:

1. The daughter of the resident has emailed the Town Council office requesting to fix a plaque to the bench in memory of her late father.
2. The proposed wording on the plaque would be 'Bob's secret bench', and the plaque would be purchased by the family.
3. The Recreation Grounds Manager would be able to fix the plaque to the bench.
