

Committee: Open Spaces

Date: 4 October 2022

Title: Title of discussion item

Purpose of Report

To consider a request to replace a memorial tree on Cleaves Close

Recommendation:

Members resolve to approve the replacement of a memorial tree at Cleaves Close/Britten's Field and for officers to be delegated responsibility to meet with relatives to implement the replacement.

Report:

1. A request has been made by a member of the public, to the Chair of Open Spaces for a tree to be replaced at Cleaves Close/Britten's Field.
2. The original tree and plaque were destroyed in a storm and the family would like permission to replace these items.
3. It is appropriate that any replacement tree fits in with the plans being implemented with the Countryside Manager as part of the work currently being carried out. All costs would be passed to the family.
4. Members are being asked to resolve to approve the replacement of a memorial tree and plaque at Cleaves Close/Britten's Field and for officers to be delegated responsibility to meet with relatives in order to implement the replacement.
