Report

1. It is good practice to review the Market Stallholder's Conditions prior to the start of the new financial year.
2. The Market Stallholder's Conditions are published on the Ilminster Town Council website and paper copies are issued to stallholders at appropriate times.
3. The Market Stallholder's Conditions have not been updated since 2021. We have recently been receiving more enquiries to join Ilminster market.
4. Due to the increase in the number of stallholders attending on a regular basis, having a regularly reviewed and comprehensive set of rules will assist with the smooth running of the market for the traders and the council. Members to review changes as per **Appendix 13A**.
5. Members resolve to accept and approve the amendments for the Market Stallholders Conditions for 2024-25 as proposed in the **Appendix 13A**.
