Title: Youth working group

Purpose of Report

For members to set up a youth working group

Recommendation:

Members Resolve the creation of a youth working group.

Report:

1. Over the past three years and more Ilminster Town Council has been setting aside funding to establish a Youth Project in the Town. It initially entered into a collaborative project with Young Somerset that because of a change in focus ended up being cancelled.
2. Since this time there has been a desire to set something up and to establish a good base from which to support young people in Ilminster.
3. Cllrs Talor, Karchud and Morris have all indicated that they would like to establish a working group that will allow them to develop plans for consideration by the Full Council to put something in place to help the young people in Ilminster.
4. It is proposed that a Working Group be established. They will work with officers to establish Terms of Reference for the Group for submission to the Full Council. These Terms of Reference and an outline plan of the work that intend to engage in will be submitted to Full Council by the May 2024 Full Council Meeting.
