Title: Appointments to Representatives to Other Groups 2023-2024

Purpose of Report

To allow Members to consider which external bodies the council should have involvement with, and to consider nominations to those bodies.

Recommendation

Full Council appoint Members to Other Groups.

Background

1. Draft, Standing order 5.k.xi. requires a 'Review of representation on or work with external bodies and arrangements for reporting back'.
2. Nominations to external bodies are sought at the Annual Meeting of the Full Council in May each year.

Report

3. **Appendix 19A** details the proposed 2023-24 organisations, along with the existing representatives.
4. Members must decide whether they wish to be lead members or participating members on external bodies. Lead members wouldn't necessarily attend external bodies' meetings but would be their main link with the council. There is an expectation on participating members to attend and take part in the organisations' meetings.
5. In addition there are Agenda Items on Full Council Meetings that ask members to provide regular updates on their work with the External organisations to the Council.
6. Members may also wish to suggest other organisations which may wish to consider member representation.
