Morning Julie,

Apologies for the delay in responding..... as far as I am aware it is the bit leading up to the Ashcombe court building that is unadopted... issues regarding parking have been ongoing here for some years.

As SCC highways are not now doing highways jobs ad hoc, any request for measures to be put in place needs to come from TC.

Hope that helps,

Linda.

Morning Linda,

Thank you for sending us this information, but please mind my ignorance. Does it mean that Highways aren't responsible for maintenance as it is unclassified?

Julie

Good morning Linda

As requested, please see plan below of Ashcombe Lane, Ilminster showing the public highway extent.

My Highways colleagues would be able to assist you further regarding maintenance regimes, tolerances, etc..

Kind regards

Rebecca Vaughan

Subject: Ashcombe Lane Ilminster

Is this adopted and under Highways for maintenance etc..... residents have written to Ilminster TC as they are unhappy about several issues along this stretch of road.

Linda.
