6	06.10.20 P360	Speed Indicating Device	To investigate the cost and implementation of a SID. Spoke to the Clerk at The Seavingtons. Their device cost around £4,500.00 from Truvelo Ltd. The research into the device was completed by South Petherton who also bought a device. The device is easily calibrated, should be moved around every two weeks. If it is moved there is no need to obtain Highways consent for the device. Results are provided through an app. Decision as to whether we investigate further. Who will move the device? Possible role for the Wardens?	Town Clerk/Councillors	See Action notes
