Title: Request from Greenfylde C of E First School

Purpose of Report

To support a request to highways to paint Zig-Zag lines on Ditton Street and Repaint the Zebra Crossing on Shudrick Lane.

Recommendation:

Members resolve to delegate authority to officers to contact Highways and have the required lines reinstated and applied in accordance with the report.

Report:

1. The headmistress of Greenfylde School has contacted the office to request that;

“getting the yellow zig zags on Ditton St and the Zebra crossing on Shudrick Lane repainted as the zebra especially is very poor and cars just don't stop. Nothing has happened and really wanted this in place for September. Know this is an SCC thing but wondered if having the Town Council support would help as, especially the zebra crossing, is a danger to the whole community not just the school.

2. Ms Oaten has provided a schematic to assist with this request. **Appendix 7A**
3. Members resolve to delegate authority to officers to contact Highways and have the required lines reinstated and applied in accordance with the report.
