

Wessex Garden Bench 3-seater GF21

Our Wessex Garden bench Seats are hand made from heavy gauge steel. They are designed to last a long time. They should not be compared with cheaper imports. The 3 seater version is shown here in Hand Painted Verdigris Finish.

Dimensions of the 3 Seater are:-

Width: 59"/150cm

Depth: 25"/64cm

Height: 31 1/2"/80cm

UK prices including VAT along with colour choice:-

Green, Black or Unpainted Galvanised **£426**

Cream, White, or Etch Galvanised **£533.**

Hand Painted Verdigris, **£569.**

For a delivery in most of mainland Great Britain there is a **delivery charge of £75 for the 3 Seater Bench if it is supplied fully assembled on a pallet.**

If the 3 Seater Bench is supplied as an easy to assemble kit the delivery charge is only £35 as the cost of delivery is much lower.

Glasdon

Lowther seat

These are priced at approximately £520 and includes at present free delivery. There would be an additional cost of approximately £115 if Timberpol or Vandalex slats were specified. The cost of a memorial plaque for a bench is currently £83.60. All prices quoted are excluding VAT.

Designed to co-ordinate with existing street furniture and traditional designs, this durable outdoor seat is ideal for siting around recreational areas, heritage sites, coastal locations or town centres.

The Lowther seat comprises of corrosion / weather resistant cast aluminium ends with Armortec® coating, a durable paint finish which limits the impact of scratches, offering long lasting outdoor seating with minimal maintenance.

The unique, Armortec coated, L-shaped steel support frame and rigid construction provides overall strength and vandal resistance, making the seat stronger and reduces bowing (not applicable to models purchased with Vandalex slats).

Lowther seat is available with a wide selection of slat colours/finishes, utilising Enviropol®, Timberpol® or Vandalex® material, providing 6 different models to choose from. Vandalex slats provide excellent fire resistance when compared to standard wooden benches.

As with most Glasdon street furniture, this outdoor bench with armrests allows for personalisation, with a choice of rectangular or circular areas to include your crest or logo, as well as the option to incorporate a commemorative / memorial plaque if required.

****Concrete surface fixing bolts and delivery come as standard.**

Cycle Rack

The following from Glasdon is available currently for £397 exc VAT. The normal price would be £567. It is a sturdy unit designed for 10 cycles at a time. Similar products are available from a number of suppliers at similar prices.

The Bi-Stander collection of cycle stands and bike racks offers a range of economically effective cycle storage solutions, ideal for schools and offices. Our Single-Sided cycle stand provides multiple hoops which you can lock up to 10 bikes on depending on the model. This solution is perfect for a smaller area where you don't require a double sided stand.
