Public Forum

Craig Rice spoke on behalf of the Cricket Club.

Craig explained to members that everyone is struggling financially at the moment and asked that the rent is kept at a sensible rate. They are happy to carry on with how things are. They are happy for youth football to carry on using the pitch. Craig requested that they can access the cricket pitch in early April to prepare for the new season.

Jonny Watkins spoke on behalf of Ilminster Youth Football Club. Jonny thanked the Clerk and Rec Users Group as they have found the Rec Users Group very useful and it has opened the lines of communication between the clubs, the public and the Council.

They have been making suggestions to licence updates via email and he is happy to clarify any of the points he made.

They support option 2 and asked that the Town Council continue to honour the discount for the youth football club, and if the final licence could be sent to them to be reviewed.

19.49 Cllr S Osborne arrived and joined the meeting.

Dan Haines spoke on behalf of Ilminster Football Club

Dan advised members that any additional costs would have to be passed on to Members. That Option 1 is feasible but a lot of admin so it would need to be an annual fee. Option 3 pay as you go would not be feasible. Option 2 would be the best option.

Dan questioned the possible duplicate charge of the grandstand pitches as the FA view them as 1 club using 1 pitch.

There has previously been no set process to work out the pitch fees however the football club have produced a spreadsheet to work out future charges using land area by 10p per square metre which was sent to the Town Council this afternoon. This option could easily be increased annually.

The first two courts will only need a top dressing as they are in good condition. The other courts will require a complete refurbishment. We will need to purchase one set of posts and nets for the first two courts but these will be supplied for the fully refurbished courts. Officers are waiting to receive a copy of the agreement from SSDC.
A meeting of the Herne Hill Users Group is in the process of being arranged as part of the process to be awarded a Green Flag.
- 22-0072-OS** **Licences and pitch fees for football and cricket 2023**
Members discussed the proposed licences and minor amendments suggested by Ilminster Youth Football Club and officers which would be included in the final draft.
Officers will send the final draft of the licences to the football and cricket clubs before the next Town Council meeting to give them the opportunity to review them.
Members discussed the 3 options for the pitch fees presented to them, as well as the option provided by Ilminster Town Football Club. Option 2 and the football club's suggested option were the main part of the discussion and it was decided that as Members had not had sufficient time to consider the football club's option properly, that officers will use Option 2 for 2023/24 and review the pitch fees including the football club's option for 2024/25 onwards.

Members resolve by 4 votes for and 1 abstention (Cllr Shepherd) to **RECOMMEND** to Full Council the pitch fees shown in Option 2 to be incorporated in the Schedule of Charges and in the proposed Licence for each of the relevant cricket and football clubs with the intention to introduce a revised format of charges for 2024/25.
