

The Youth Project has received the below quote from Youth Somerset for a Youth Worker to work alongside local volunteers to establish a Youth Club in the town and to liaise with local schools, etc.

This quote seems very reasonable and a good alternative to employing someone ourselves.

Hi all

I have received the email below from Zara at Young Somerset re. costs of appointing a youth worker.

I have thanked Zara and said we would be in touch again once we have had time to discuss.

I hope you are well, as discussed at our meeting here are the costs for a youth worker. The price is based on one youth worker term time only for one year. Part of the role will be to work alongside the volunteers to run a youth club once a week, the rest of the time would be to liaise with schools, local council, youth organisations and listen to the needs of young people in Ilminster to develop an offer which is fit for purpose.

£7,558.47 for one day a week

£15,116.94 for two days a week

Look forward to hearing from you
