Good evening to you all in Ilminster. The Beat Team, of Ilminster, has as usual been kept busy with the normal happenings of a Town this size. We can now attend zoom meetings so please let us know if you would like us to join any meetings,

Following our last report we now have Rob Chidgey in place and he is starting to familiarise himself with the local area,

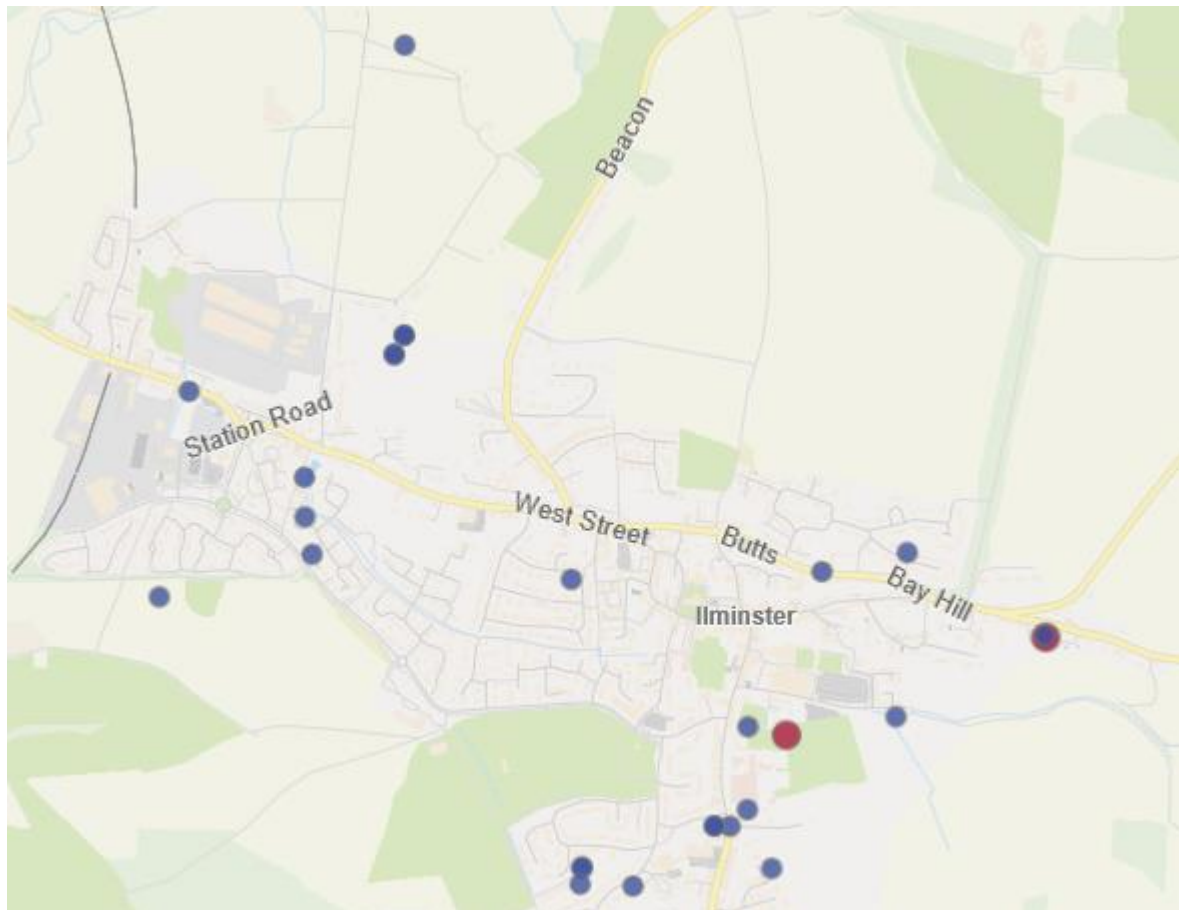

In the last month we have seen more and more people going back to normal life, we have had to warn several people in regards to Covid breaches,

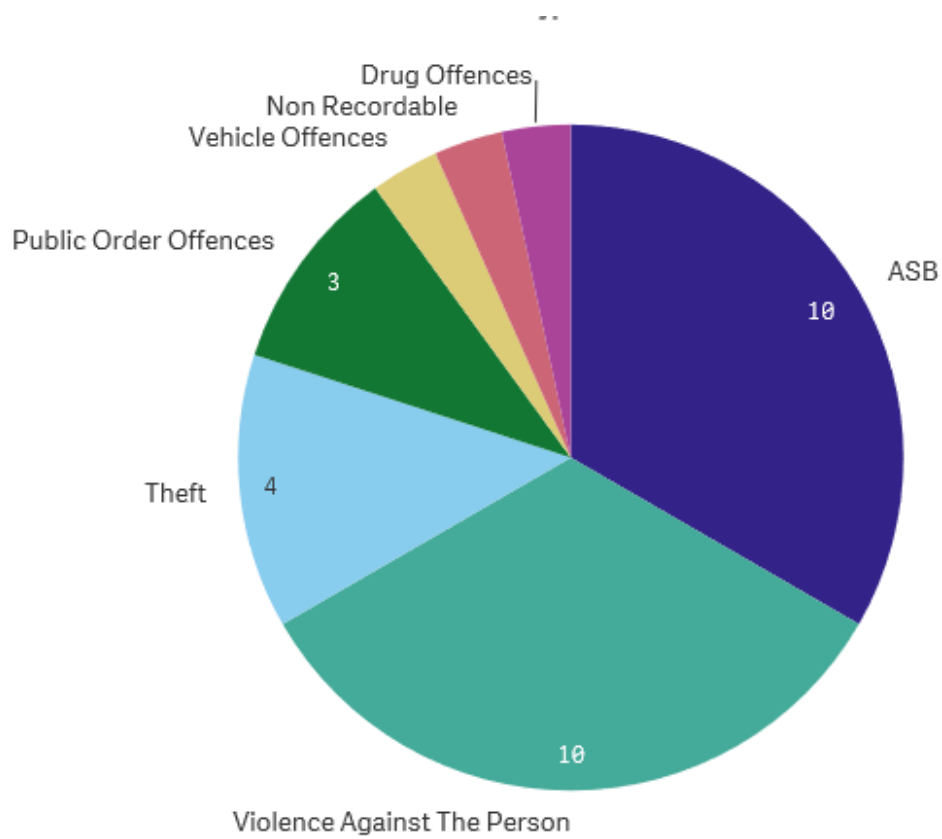

On a positive note we have seen a rapid decline in ASB in the recreation ground as most of our younger community seem to be following the rules, either that or they are hiding from us,

We have recently been approved to have an ANPR equipped vehicle in the Ilminster, this will be a great help in the town to identify vehicles of police interest,

Another issue has been speeding which we are addressing by regularly going out with our speed detection device and stopping people speeding, this will be a more regular occurrence over the next month,

Recorded incidents from 01/01/2021 in the town area are as below,

Please feel free to contact us if you need any help or advice.

Many thanks,

Iminster Beat Team
