Good evening to you all, since the last Police report we have remained busy, dealing with the usual and the unusual things that occur in our Town and surrounding villages.

Over the last 4 weeks or so, I can report the following have occurred within Ilminster town itself.

3 x theft from shops etc

7 x harassment, 3 related to same incident. (inc assaults)

3 x Criminal damage, not linked to anything else.

2 x ASB incidents.

6 x assaults, 3 were related to same incident (inc harass)

4 x public order offences. 3 linked to above assaults / harass

1 x dwelling burg, (house renovation tools stolen)

2 x drugs (both cannabis)

1 x fraud (telephone banking)

Above mentions 3 x assaults, 3 x public orders, and 3 x harassment. This was in fact, a single incident of a group of neighbours falling out and assaulting each other, members of public hearing it rang in reporting public order, and since then, they claim they are harassing each other.
