Good evening to you all in Ilminster. The Beat Team, of Ilminster, has as usual been kept busy with the normal happenings of a Town this size.

Following our last report we have now chosen a new Beat Manager and are just awaiting him being released from his current team.

Before the second national lockdown most of our attention was spent on patrolling the town and checking on ASB in the recreational ground.

We will be holding a Tool and Bike marking event on the 12th December which will also be a chance for the residents to come and talk to us about any queries they have. This will be held in Summervale Surgery car park.

Recorded incidents from 01/09/2020 in the town area are as below,

We continue to keep an eye on ASB in the Recreation Ground. High visibility patrols are being carried out by the Beat Team when on shift and continuous engagement with the youths regarding their behaviour.

As a Beat Team we are concerned about the lack of lighting and the potential for vandalism involving the new equipment. The lack of lighting makes it significantly harder to deal with issues as they can see us coming, but we cannot see them. Also local residents cannot give us any information to assist us.

If we could identify them before they run off we could pick up with them at a later date.

Please feel free to contact us if you need any help or advice.

Many thanks,

Ilminster Beat Team
