Subject: Experience Ilminster Keep our Flags Flying Appeal

Dear Hayley

I would be grateful for your advice/help on the following matter.

I know that, on occasions, the Town Council has provided assistance to a number of organisations in terms of purchasing items in order that the VAT can be reclaimed by the Town Council and is not an additional burden on the organisation.

It is planned to place the order for the flags and flag poles in late January and it would appear that we will incur a sizeable VAT bill. As the Flag Festival is for the benefit of the town and its visitors would there be any possibility of the Town Council purchasing the flags and the poles on our behalf? We would, of course, provide you with all the information - and a cheque!

I would appreciate your thoughts on this.

With best wishes
Julie
Director, Experience Ilminster
