Subject: Flag poles

Dear Hayley

The Flag Appeal is going well and we are now within a few hundred pounds of our target.

We have ordered new flag poles which are somewhat sturdier than those previously used and will require a new home other than the space in Michael Fry Foley's garage! I seem to recall that the Town Council stores emergency supplies somewhere near Vaughan Lee and I wondered whether there would be any space there which we could rent, or indeed, in any other building.

I look forward to hearing from you.

Stay safe and well.

Best wishes

Julie
