Message Body:
Dear Mrs White

30 years ago my son passed away & whom is burried at the cemetery & in January this year my wife sadly passed away. If I purchase a suitable (pressure treated oak bench & pay ongoing for the upkeep & maintenance of it) I would like to ask permission if I could arrange to have it situated at the bottom of the cemetery for all persons to make use of as there is currently very little provision for persons to sit and reflect with loved ones, could I ask if you would be so kind as to let me know your decision as soon as is possible.

Kindest regards

I
