Hi

I am struggling to find a chipper equivalent to the one on the wish list to hire. I have found one similar to what we hired from Bradfords but that was not up to the job as we know. Hire company's are only hiring out the large 6 inch chippers which will be difficult to get into the wood during the wet season.

Cheers

Barney

Hi Barney,

Do you remember I asked if you could find out the hire cost of the same equivalent wood chipper? The Councillors wanted to compare it to the purchase cost that was on your wishlist.

I need it this week please.
