Good evening to you all in Iminster. The Beat Team, of Iminster, has as usual been kept busy with the normal happenings of a Town this size. We can now attend zoom meetings so please let us know if you would like us to join any meetings,

We have had several conversations recently concerning speeding and weight limit breaches. We have had contact with Highways and continue to try and find a solution for the problem. We have been actively trying to educate the drivers and companies breaching the weight limit and hope this will help to stop the problem.

We have had many conversations with the local people of Iminster who are getting very concerned about speeding. We have had many people saying that the Town needs more speed signs and more traffic calming measures.

One of the main concerns is the 20mph limit through East and North Street. We have had many comments saying more markings are needed on the road and more speed limit signs.

The other issue we have been talking about a lot is Canal Way. Residents are saying again there are not enough signs and should be some sort of traffic calming measures in place.

We will continue to do what we can to try and tackle speeding issues.

This report includes statistics for June 2021 as per the email asking for more information, we are limited as to how much detail we can give about the jobs themselves due to data protection,

Recorded crimes from 01/06/2021 in the town area are as below,
