Hi

Apologies for the delay in updating you with our plans for this Summer & thanks for bearing with me (unfortunately, unforeseen delays in a couple of planned locations caused delays to the overall planning).

I am pleased to say that (subject to Government Covid-19 restrictions / measures & final SSDC approval being received - hopefully by the end of June), our intended Play Day programme of dates & venues for this summer has now been finalised.

Within this, we have planned for Play Days in Ilminster, at Canal Road Rec on:

- Mondays: 2nd & 9th Aug
- Opening times from 10am – 12pm & 1.00 pm – 3.00pm (with a lunch break, including BBQ from 12 – 1pm*)

Having already indicated the Council's 'in-principle' permission (Subject to Covid regs etc), in previous email/s, please can you confirm (by Tues 15th June at the latest, please) that the above date/s for event/s are ok with The Council? Unfortunately, if there is a problem with the planned date/s, due to the complexities of scheduling (across 8 venues, for 12 events), it is highly unlikely that we will be able to find alternative dates, due to the 'domino effect' this would have on our other planned events & provider bookings, staffing etc.

Looking forward to hearing from you & progressing the next stages of booking activities, providers etc, once you confirm the above date/s are ok to proceed with.

*Further to previous email/s, we would like to do a small BBQ at the events (as it's part of the day & we will be doing this at all our other events, so allows for consistency of planning, posters / publicity etc) - can you let me know what we need to do to get permission for a BBQ at the events please?

Many thanks – and hoping & planning for a great summer.

Regards

Pete
