Subject: Proposed SSDC Summer Play Days (provided by Active Learning & Skills)

Hi

Apologies to be slightly later than planned, with this year's request for the Council's support & approval of our proposed programme of SSDC Summer Holiday Play Day events for this Summer.

I am delighted to say that we are (again) looking to provide 3 Play Days this summer, in Ilminster (at no cost to the Town Council), with activities taking place at The Rec in Canal Way between 10 am – 3.30 pm.

The format & content for the proposed Play Days is the same, well-established & successful plan, as in previous summers & we would ask that the Council please give permission for us to use Rec on:

- Mondays 30th July + 6th & 13th August

We plan for activities to include – Circus Skills, sports coaching, water fights & wet games, bouncy castle, arts, crafts, face painting, various other games & with a BBQ / Pizza lunch being an option for parents & families.

All activities will be run by organisations we (or SSDC) have used before & all will be checked for suitable insurance, risk assessments & DBS checks.

I would be most grateful if you could bring this to the Council's attention at the earliest opportunity for discussion (& hopefully approval) & if you could let me know when this might be, as that would be useful in enabling me to plan discussions with service & activity providers & organisation of publicity.

Many thanks, in advance, for your help with this & here's looking forward to another great summer programme, enjoyed by over a thousand children & their families, in local towns & villages.

Regards
