Subject: FW: SSDC Summer Playdays

Hi

Further to yesterday's schedule sent to you, I've heard back, that unfortunately, Ile Youth Centre isn't available on Thursday mornings.

Subject to Ile YC's availability on Mondays, it would therefore seem that the simplest solution would be to simply swap the plan around so that Ilminster Playdays now take place on the Mondays (previously scheduled for Crewkerne) & Crewkerne dates move to the Thursdays.

I'll let you know, when I hear back from Ile YC, as to its availability on Mondays.

Thanks

Pete

Subject: SSDC Summer Playdays

Hi

I'm writing to let you know that we have again, been asked by Steve Barnes at SSDC, to organise & deliver a programme of Summer Holiday Playdays this year, as outlined in the schedule below.

We are delighted to be doing this again, after very successful & popular programmes in recent years which have had total attendance of over 1,000 children each year & we'll plan this year's events along similar lines / formats to previous summers (with hopefully a few new activities as well). We are also delighted to hopefully be adding South Petherton, as a new venue for this year.

I would be most grateful if you can confirm that the dates & timings below are ok & that your Council / Board of Directors / Management Committee are happy for us to use the facilities that you're responsible for (i.e. buildings, parks/recs etc).

If you could confirm this at the earliest available opportunity, that would be much appreciated, as:

1. I need confirmation, before I can book activity providers (such as; Circus Skills, Artists, Sports Coaches, Bouncy Castles, Sumo Suits etc)
2. We need to have publicity (posters, websites, social media etc) ready to publish - ideally by the end of May!

SSDC (ALS) Draft Schedule – Summer PlayDays 2016
