Subject: Permission to use the Recreation Ground

Hello Joy,

We wish to ask permission from the Town Council for use of the Recreation Ground by Experience Ilminster CIC for Ilminster Midsummer Experience 2016 on Sunday 12th June 2016.

The programme is similar to previous year's with the Car Show, Dog Show, 3 Peaks Walk (which we hope will evolve into a charity event), acoustic Brass Band, a Children's Events plus, and a Community Lunch organised by Rotary and the Twinning Association inside a marquee and the layout for the events are very similar.

We would also like permission to continue using the football pitch area for the Car Show.

Please let me know if you require any additional information.

My sincere apologies for the lateness of this request.

Regards,

Mike Fry-Foley
