ILMINSTER TOWN COUNCIL

To whom it may concern,

We wish to register as a monumental company with yourselves so that we may be able to work in Ilminster cemetery.

FIXING EXPERIENCE & QUALIFICATIONS

Due to the fact that the main cemeteries and churchyards I work in have not required me or my firm to have BRAMM or NAMM fixing accreditation I have never undertaken it however I have been a self employed as a monumental mason for 24 years working in many different cemeteries and churchyards in Somerset, Devon and Dorset and adhering to NAMM fixing practises at all times.

I have also acted as labourer on two occasions for another mason who was taking BOTH the NAMM and BRAMM fixing examinations so he could qualify (which he did).

Where necessary I have worked alongside NAMM and BRAMM certified masons when fixing large headstones or kerb surrounds.

I always keep up to date with NAMM regulations as these do get updated every 5 years or so to ensure compliance when fixing.

Attached is our Public Liability certificate

We understand the need to have experienced and qualified persons working in the cemetery and we trust the above will be enough to allow us to do so.

We look forward to hearing from you.

Yours sincerely
