Dear Consultee

South Somerset District Council are required to produce a Statement of Principles under the Gambling Act 2005. This is required to be revisited every 3 years.

We have looked at the previously consulted Statement of Principles and after careful consideration, have determined not to make any changes to this document.

We are required to consult with stakeholders and the public and to this end, we are circulating the unchanged document for comment. As no changes have been made, this consultation will commence on **Wednesday 29 June 2022** and will close on **Wednesday 27 July 2022**.

Should you wish to make comment or suggestion, please respond via email to:
