

To the Town Council
Ilminster Churches Together Food Bank/ Food Share

Thank you for your continued support for the Food Bank, the recent gift of cakes and biscuits was appreciated.

I have just put figures together for south Somerset District Council. Over the year from March 21 to April 22 we distributed 839 food parcels, since we are also able to give food and veg vouchers from PB fruits this amounts about £6000.

The people of Ilminster and surrounding villages have been very generous in filling the trolley in Tesco and Coop and in money donations. Yet, we still run low on our stores. If the Town Council would like to support the food bank, a trolley of cleaning products both laundry and personal once a month would be very helpful.

If you would like to visit the food bank or know more about it do pop along on a Wednesday or Saturday 10.00 - 12.00 at the Minster Rooms or give me a call.

Thank you for all you do for Ilminster.
