

First Day Regulation 14 Consultation Notes

In preparation for Saturday 26th June, herewith some notes.

10 Copies of the following 10 relevant documents have been issued as listed below. They are obviously not for lending out, but provide us with over 700 pages of reference material. In addition all Group Members will have received copies of Martha's "script" guidance, as E-mailed on 18th June.

Just for reference (and because you are accountable for them!), the documents are:-

Ilminster Neighbourhood Plan

Appendix A – Character of Ilminster

Appendix B – Basic Conditions Statement

Appendix C – Design Guide

Appendix D – Consultation Statement

Housing Needs Survey – June 2018

Housing Needs Assessment – January 2020

Site Allocations Assessment – March 2020

Habitats Regulations Assessment – July 2020

Strategic Environment Assessment – December 2020

The 10 Sets have been issued to Library, Town Council (2), Stuart, Colin, Liz, Jim, Tony, Annie, Scott. There are currently no spares, apart from a couple of copies of the Plan itself, but I will address this.

The "Set Up" team on duty at Silver Street at 8am this Saturday (hopefully away by 9!), are Philip, Michelle, and Annie, plus Stuart and Scott on duty as from 7.30. Dismantling on 26th and resetting on 27th will be negotiated. Please be in touch with Scott asap, if you for see any problems.
