

ILMINSTER

Recreation Manager
£24,920 – £28,226

Ilminster Town Council is looking for a dynamic and innovative individual to lead the Council into the future, maintaining the council recreational grounds. Working alongside the Countryside Manager, the successful candidate will need to ensure that the current recreational facilities are maintained to a high standard, satisfying all safety regulations. They will be required to help maintain the grounds and other areas that the council has a responsibility for. This is a great opportunity for an individual to develop a reasonably new role within the council to provide high level facilities to the community as well as to plan and implement new ones as well. It combines being hands-on with a developing management role. For the right person, a trainee Recreation Manager role would be considered with full training provided.

Full time with generous holidays & pension

Apply by 12-00pm Friday 6 May 2022

Interviews - week commencing 16 May 2022
