Dear Mrs Norris

Consultation on a proposed new Public Space Protection Order for public land across South Somerset

Three Dog Control Orders (DCOs) are currently in place within the South Somerset District Councils area; one creates an offence for persons not removing their dog faeces from public land across the district, one creates an offence if persons do not put and keep their dog on lead when directed to do so by an authorised officer and the other excludes dogs from a designated area around the play park at Ninesprings Park in Yeovil. Copies of the Orders are attached for reference.

In March 2014 new legislation was introduced requiring local authorities to review existing Dog Control Orders and replace them with new Public Space Protection Orders (PSPO's), by April 2017, if they were still required. The council needs to be satisfied they are needed in order to prevent anti-social behaviour which is;

- having, or is likely to have, a detrimental effect on the quality of life of those in the locality
- is persistent or continuing in nature; and
- is unreasonable

Environmental Health officers have reviewed the current DCOs and believe a new PSPO is required in order to continue to control dog fouling and associated matters across the district. The PSPO would enable officers to enforce the collection of dog faeces by owners and require that dogs are put and kept on leads where necessary. It would also continue to exclude dogs from the designated area around the play park at Ninesprings Park in Yeovil.

South Somerset District Council is therefore proposing the designation of a new Public Space Protection Order (PSPO) for public land in the administrative area of South Somerset.

As part of the designation process we are required to undertake consultation with appropriate interested parties and stakeholders. This letter forms part of that consultation and I would therefore invite you to give your opinion and make any comments you have regarding this proposal. This should be made in writing and sent to Vicki Dawson, the officer dealing with this matter at the above address. Please can you ensure that any comments you may make are sent in by 8th January 2017.

If you need this information in large print, Braille, audio or another language, please contact me at the above address

Once the consultation is complete a report will be presented to our District Executive Committee who will decide whether to designate the PSPO or not.

I enclose herewith the draft PSPOs. Evidence has been collected that indicates the need for the order and can be viewed upon request.

If you have any questions about this proposal please contact Vicki Dawson using the contact details at the top of this page.

Yours sincerely
