Approved by the Town Council 21 July 2020

Introduction

1. These Terms of Reference provide part of the framework within which the Council and its committees make decisions
2. The Terms of Reference are complementary to the Council's other constitutional documents including Standing Orders and Financial Regulations
3. Committee Membership
Committees have 8 Councillors and appointments are made at the Annual Town Council meeting.
All Councillors may attend any Committee and speak with the permission of the Committee Chair but non-Committee members do not have a vote.
If items pertaining to either the Grievance, Capability and Disciplinary Committee or the Appeals Committee are to be discussed at the Resources Committee members of the Grievance, Capability and Disciplinary Committee and the Appeals Committee will leave the room for those discussions
4. The Committee Chairs will be elected by the Committee and ratified at the Annual Town Council meeting to serve for a term of 1 municipal year, however there is an expectation a Committee Chair will serve for 2 years and be succeeded by the Councillor who is the Committee Vice-Chair at the end of the second term of office
5. The Vice-Chair of each Committee will be appointed by the Committee and ratified at the Annual Town Council meeting
6. The Town Council is the policy making body; all Committees must act within the policy framework set by the Town Council. Only a meeting of the Town Council can approve policy or amend it.
7. The rules to be followed for the conduct of meetings are detailed in Standing Orders
8. All decisions made by the Council and its Committees will be made with due regard to the following principles:
 - Legality
 - Financial prudence and value for money
 - The exercise of power must be proportionate to the desired outcome
 - Account will be taken of consultation with partners and the public
 - Proper consideration of advice from Officers and professional advisors
 - Respect for human rights, diversity and equality
 - Environmental impact and sustainability
 - Decisions will be made in public whenever practicable and appropriate
 - The management of risk in a proportionate and considered manner

9. Any Councillor can request an item to be put on the agenda for a Council or Committee meeting. The decisions as to whether or not the item shall be included on the agenda will be made by the Town Clerk following consultation with the Mayor and Deputy Mayor in the case of Council, or the Chair and Vice-Chair in the case of a committee.
10. Council and Committees will normally only consider items where decisions are necessary. Items which are for information only will be included in the Clerk's Update and a list of Clerk's Updates that have been issued will be included on each Council agenda so that Councillors have the opportunity to ask questions.
11. Council and Committee meetings will usually be open to the public to attend and observe, however there will be occasions when matters will need to be discussed and decided without the public being present e.g. if publicity of the matter for discussion would prejudice the public interest
12. In these Terms of Reference * next to a specific responsibility indicates a delegated power - this means that the Committee can make a decision and there is no need for further referral to Council.
