

ILMINSTER LITERARY FESTIVAL

The Festival was held over nine days and over 30 events, which were organised in a number of different venues in and around Ilminster. Now in its second year, the Festival developed a programme which appealed to all ages and offered a range of talks, recitals, competitions and workshops together with cider and wine tastings.

The Festival Committee are very appreciative of the support given by Ilminster Town Council. Planning for next year's Festival will commence within the next month.

Julie Fowler

Town Council Representative on the Festival Committee
