Dear Mr Drayton,

I am writing regarding your FOI requested received by email on 18 November 2013 (and amended by a further email dated 18.11.13.)

You request was for

“anything relating to the SSDC Local Plan, the town Vision document, consultations concerning the two issues, correspondence between: the councils, town clerk, district council officers, district councillors, town councillors and/or others relating to these issues, including any meetings, or other matters and documents concerning the Local Plan and Vision, for the period 1st March 2013 to the current date of consideration of this application. This should include all those documents and correspondence sent between/to any of the above mentioned, which would now be in the public domain as part of the ongoing process for the Local Plan and Vision, including documents relating to Dillington Estate, C JG Fry and Turley Associates and Shudrick Valley.”

I have searched the paper files, the Town Council electronic filing , and the Town Council email system for the requested documents. I have also asked Councillors for them to make available any documents that they hold as Town Councillors. The results of these searches is a large number of documents which are listed below. As far as possible they are in date order and I have numbered them. I will send them to you as PDFs in this email and 1 other Where correspondence involves 3rd parties the names and addresses have been redacted – where it is to yourself the information remains

Should you have any difficulty opening the documents please contact me.
